Mandatory Background Process - Conduct and Competency Question 2 of 14

The Conduct and Competency questionnaire is a screening tool that is part of the mandatory background check process. The questions contained in the Conduct and Competency review have been developed to alert the department to cases that may warrant further examination/consideration before issuing a license. While most educators do not pose a danger to the health, welfare, safety or education of pupils, there are exceptions. In order to protect pupils our law requires the department to investigate the background of each applicant for a Wisconsin educator license, each time an application is submitted.

You must respond to **ALL questions** fully and truthfully. Incomplete responses will stop the application process and/or delay licensure. Inaccurate responses can result in denial of your application. Your full cooperation is necessary and appreciated.

All information received from the Federal Bureau of Investigation and the Wisconsin Department of Justice as part of a background check, remains confidential. (Sec. 118.19(10)(f), Wis. Stats.) You will be notified only if the department determines that the result of the background investigation is unsatisfactory.

Press "Previous" to return to the last question you answered.

Press "Next" to continue answering questions.

Press "Cancel" to cancel this page and return to the online payment selection page.

For the purposes of this questionnaire, "teaching" refers to all licensed school personnel including but not limited to teachers, pupil services personnel, administrators, library media specialists, substitute teachers, licensed aides, etc.

Please note if any documentation needs to be submitted to the DPI, it **must** be in an electronic format such as .pdf, MS Word, .jpg, or .pages.

As stated in the Conduct and Competency Overview, this portion of the application will time out after 30 minutes of inactivity and your responses will be lost. Please be prepared to complete this process in one sitting.

2. Have you ever been disciplined for alleged misconduct in the course of **any** employment* or as a member of **any** licensed or regulated profession?

Mandatory Background Process - Conduct and Competency Question 2 Upload

The Conduct and Competency questionnaire is used to alert the department to matters in an applicant's history that may warrant further investigation. Answering "yes" to a question or having a criminal record **does not** automatically make you ineligible for licensure. Each situation is considered independently, and the final decision is made on a case-by-case basis. Your cooperation is appreciated.

For any "Yes" answer to questions 2-14 you will be required to upload an electronic version of a detailed written explanation, in your own words, describing the facts and circumstances associated with what you are reporting. You must also provide complete electronic copies of documents associated with the matter that can corroborate / illuminate your explanation of the incident.

Examples of appropriate documentation include:

- Complete copies of the police reports (if any) associated with the matter, available to you from the law enforcement agency that conducted the investigation.
- Copies of correspondence, including emails, between you and your employer about the matter.
- Copies of the "Criminal Complaint and Information" for any court case, available from the Clerk of Circuit Court in the county where charges were filed.
- Copies of court orders, judgments of conviction, etc.

Tips for Applicants

- Use legal name during the application process
- Use *personal* email address that you will use even after you graduate
- Be prepared BEFORE you login ...
 - Determine whether you need to get fingerprinted. For more info, see <https://dpi.wi.gov/tepd/licensing/fingerprint>
 - Prepare any required documents and SCAN them so they can be attached during the application process. For instate applicants, this would really only apply if there is some type of misconduct that needs to be reported. If so, you will need to include a written explanation and court documents (when applicable)
 - Have your credit card ready
